It all started in 1952 in Philadelphia, and through the years American Bandstand has been an integral part of my family. With the addition of the AB Grills, our family has expanded to include you. Our restaurants are a friendly place where you will feel right at home - even while traveling. It's a place to relax, listen to classic rock n' roll and enjoy great food.

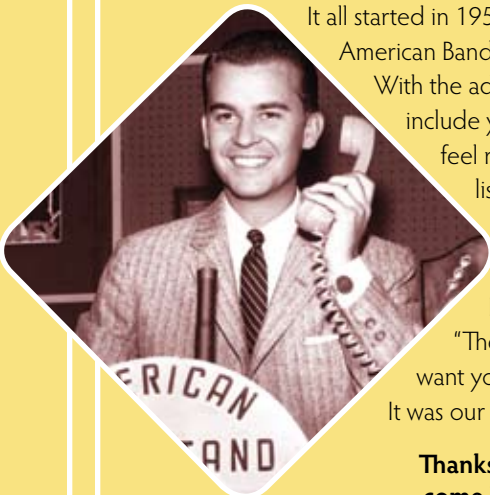

The displays and memorabilia are from our own archives and span five decades of American Bandstand memories.

Feel free to cruise around the joint and enjoy sharing in "The Soundtrack of our Lives". Whatever your age in life, we want you to feel welcome at American Bandstand restaurants.

It was our great honor to serve you.

Thanks for dropping in and come back as soon as you can.
